

CIO Forum 04/12/2016

Welcome & Introductions

Laura Parma welcomed the CIO Forum participants to the meeting. We welcomed Stephen Backholm, CIO from the State Investment Board and Terrie Flaten, CIO with the Office of the Insurance Commissioner.

Enterprise IT Class Study Update

[Angie Hogenson](#) with OFM shared a presentation with the CIO Forum providing an update on the IT Class Study. Angie engaged the attendees to gather input for the class study. Any feedback can be provided to Angie Hogenson. She anticipates an update in the summer.

Legislative Update

[Connie Michener](#) provided an update to the CIO Forum. Connie shared a summary of the 2016 WaTech Legislative Bill Tracking.

NASCIO Nominations for 2016 and the Digital State Survey

[Meagan Macvie](#) shared the agency nominations that will be submitted to NASCIO. Meagan congratulated the nominees. She also encouraged agencies to consider submitting the projects to appropriate publications, etc. to share agency stories.

Meagan also shared that she is now transitioning to focus on the Digital state survey.

Washington Master Addressing Services (WAMAS)

Joy Paulus shared a presentation with the CIO Forum to review the WAMAS service. Joy shared that additional information on WAMAS available on the Geospatial Program Office site (part of the OCIO website) <https://ocio.wa.gov/initiatives/geospatial-program-office> Joy and Michael Cockrill encouraged agencies to submit user stories about their experiences to support ongoing availability of the offering.

Upcoming Calendar for Customer Events

- Laura Parma shared that there will be a follow on discussion regarding Multifactor Authentication and review of the support model on May 2nd from 1:00 to 3:00 in the Presentation Room.
- Laura also reminded the CIO Forum of the upcoming IPMA Forum May 17 & 18.

Office of the Chief Information Officer (OCIO)

[Cammy Webster](#) shared a presentation on the Technology Business Management (TBM) program. The presentation included information about the TBM Program roadmap, the Apptio pilot, and the impact of the pilot on policy.

[Scott Bream](#) provided an update on the new [Electronic Signature Guideline](#). Scott reviewed that agencies accepting electronic signatures are required to have a policy.

Report from Advisory Council and Executive Board

Laura Parma provided a report of the March Advisory Council meeting. Topics covered were the status of O365 and the WaTech finances. [Advisory Council](#) materials are posted. Michael Cockrill provided a report of the March [Executive Board](#). Michael shared that the same topics were shared with the Executive Board.

WaTech Website Update

[Ben Vaught](#) shared the new update to the WaTech website providing information about the WaTech Service Catalog. Information is available under [SOLUTIONS](#).

Wrap Up

Please contact [Laura Parma](#) with suggested topics you would like to see at upcoming CIO Forums.
