

CTS Advisory Council

June 5, 2013
1500 Jefferson Street
Olympia, Washington

A number of council members had scheduling conflicts so the remaining members elected to cancel the meeting and provide requested feedback via email.

In lieu of the meeting, feedback was requested on the following agenda items.

- 1) RMS Service Inquiry Recommendation (agree/disagree).
- 2) Comments or questions on the SDC plan.

RMS Service Inquiry

The following agencies support the service inquiry recommendation which is to not implement RMS.

DSHS, DES, DOH, ECY, HCA, DOR, AGR, DNR, DFI, DOC and LNI

Comments:

- DOC is still interested in possible solutions but should look for something that makes sense;
- DSHS suggested we continue to look viable solutions;
- LNI has a need for this type of service and would like to participate in the review of other solutions

SDC Plan

Comments:

- DOH agrees with the concepts in the SDC plan

DR

Comments:

- LNI has a need for a window server DR solution
