

ESP uses Single Sign On (SSO) to grant you access to the tool. The process for this uses your Enterprise Active Directory (EAD) credentials to authenticate you. This uses your network ID and password.

→ Change password function isn't available in ESP when connecting via SSO.

Supported Browsers

Internet Explorer

Firefox

Safari

Chrome *(not recommended for SSO).*

Log On

1. Open: Web browser.
2. Input: <https://esp.watech.wa.gov>
3. Press: Enter.

Extra Log On Steps May Be Required

ESP uses Washington State Enterprise Active Directory (EAD). EAD may prompt you to sign in if:

- This is the first time you have logged on to ESP.
- Your network password has changed.
- You are using a new workstation or browser.
- You deleted system cookies or cleared system cache.
