
Technology Services Board

Agenda Topic Synopsis: Enterprise Technology Strategy Plan

Topic overview

The [current IT Technology Strategic Plan](#) is in need of a refresh. An updated draft has been prepared and will be presented for discussion and consultation.

- The draft proposes no changes to the Mission, Vision, Value and Goals.
- Plan Objectives have been tuned up with many of the objectives carried over from the last plan and with new objects added
- Priority Initiatives have been added. These are enterprise-wide or enterprise - impacting efforts to make progress.

Steps to finalize the draft and follow-on work will be discussed.
