

CIO Forum

August 18, 2020

Welcome & Introductions

Advisory Council Chair Matt Oram, Department of Fish & Wildlife welcomed the group. Representative Hudgins was not able to make the meeting today, we will try to schedule him for a future meeting.

State CIO Update - Jim Weaver, WaTech

Remind everyone next week we are starting conversations with DES and WaTech with Microsoft on licensing and how to move forward as a state.

Also next week many of you should have a CIO/CISO meeting on your calendar for the path forward on cybersecurity and privacy. At that meeting the State Chief privacy and State Chief Information Security Officer will provide updates on where they see things going in the future.

A reminder the Broadband Office has been encouraging residents to take the speed test.

IT Governance Website Demo – Jim Weaver, Mark Quimby, Sue Langen, WaTech

The Governance Structure was provided and can be found on WaTech's website.

Lottery Commission Presentation – Crystal Fischer

PPT Presentation

Public Disclosure Commission Presentation – James Gutholm

PPT Presentation

Hot Topics

Scott West, DES: working with WaTech on migration, did first group and vault at the same time. One of the first agencies to do vault and email? Has gone well! WaTech's team was able to address some of the concerns, migration went smoothly and working to move the next batch.

Mark Quimby, WaTech: the Mainframe Steering Committee has been working on the proposed cost model for next biennium. Net is 23% savings to state as a whole and each tenant agency on the mainframe will realize those savings.
