SUBJECT: Additional Information Technology Projects Subject to Section 701 IT Oversight

Washington Technology Solutions (WaTech) is submitting this memo in compliance with Section 701(9) and Section 701(11) of the 2023-25 operating and transportation budgets:

"The office of the state chief information officer, in consultation with the office of financial management, may identify additional projects to be subject to this section, including projects that are not separately identified within an agency budget. The office of the state chief information officer must report on December 1 each calendar year any additional projects to be subjected to this section that were identified in the previous 12-month period to the legislative fiscal committees."

During this reporting period, between December 1, 2022, and November 30, 2023, WaTech, in consultation with the Office of Financial Management, did not identify any additional projects to be subject to gated funding oversight and the conditions and limitations of Section 701 of the 2023-25 operating or transportation budgets.
