# WaTech
### Washington Technology Solutions

# Washington State
# IT INDUSTRY FORUM

**March 18, 2025 | St. Martin's University**
**watech.wa.gov/washington-state-it-industry-forum**

## MEET
'Reverse' trade show: State agencies staff booths and tech vendors can meet with them one-on-one focused on their specific needs.

## CONNECT
Network with industry partners, representatives and decision-makers.

## LEARN
Breakout sessions exploring key technology trends and solutions.

## How to participate

- **Staff a booth** if your agency has current/future initiatives or projects that you will need services, solutions or support.

- **Attend and network** with industry and state agency representatives.

- **Volunteer to share your expertise** with others through participation on a panel or a breakout session.
