

CTS Advisory Council

January 4, 2012
1500 Jefferson Street
Olympia, Washington

Welcome/Introductions

Christy Ridout, Co-Chair, Consolidated Technology Services (CTS), welcomed the participants to the CTS Advisory Council meeting and provided an overview of the agenda.

Lynne McGuire announced that Dawn Tatman (DSHS) will be the new DES CIO effective January 16, 2012.

The attendees included: Mike McVicker (ESD), Ron Seymour (DFI), Cathy Munson (LSC), Rob St. John (OCIO), Doug Hoffer (DOC), Frank Westrum (DOH), Debbie Stewart (ECY), Sue Langen (DSHS), Bob Lanouette (LNI), Lynn McGuire (DES), Rich Campbell (HCA), Vikki Smith (DOR), Heidi Brownell (CTS) and Dan Mercer (CTS).

State Data Center Update

Dan Mercer provided an update of the State Data Center (SDC).

Question: What impact will the SDC re-planning have on the storage implementation? CTS is moving forward with the new storage solution but implementation timeline may be modified. The SDC infrastructure will need to be in place prior to the storage installation.

Question: Is there sufficient power capacity to support both SDC and OB2 simultaneously? Christy Ridout (CTS) will follow up on the question.

Secure Email

Heidi Brownell provided an overview of Secure Email Project.

Future Agenda Items

Future Agenda items:

- Global/general roadmap schedule for upcoming service upgrades

Please send Christy Ridout (CTS) an email if you have other agenda items.

Other: ActiveSync

ActiveSync will be available by January 2012. CTS will provide a request form, steps for agency administrators to follow, and a list of devices that have been tested and approved. The ActiveSync Workgroup will review the agency request forms and forward the information to the implementation team who will process the requests.

The Office of the Chief Information Office (OCIO) will provide a framework and parameters on use of mobile devices by Spring 2012.

Action Items

The State of Florida mobile device policy will be sent to the CTS

Advisory Council members.

Rob St. John (OCIO) will send out the Outlook Complete Application for the mobile devices.
