

Cloud Based Email and Collaboration (CBEC) Steering Committee
October 24, 2012
1500 Jefferson Street
Olympia, Washington

Welcome/Introductions

Christy Ridout, Consolidated Technology Services (CTS), provided an overview of the agenda.

Attendees: Dan Scavezze (ECY), Peter Jekel (DOC), Ron Seymour (DFI), David Sorrell (DOR), Lyle Tillett (DRS), Laura Parma (CTS), Debbie Frost (DSHS), and Scott Bream (OCIO)

Guest: Wendy Huff (CTS)

Business Case Document

Committee members reviewed and discussed the Business Case document to position it for closure. Committee members signed the Business Case document.

Christy Ridout thanked the Committee members for assisting with the CBEC Steering Committee.

Action Items

DFI expressed a need for an external SharePoint site that would provide secure capabilities. Wendy Huff (CTS) will follow up with Ron Seymour regarding his requirements.

The Committee members discussed their upcoming needs for the CTS Active Directory Federated Services (ADFS) offering to support SaaS application authentication. Wendy will provide a paper to the group that helps to position the authentication requirements. Agencies are encouraged to engage early in discussion with CTS regarding their requirements. The paper assists in the discussion points about authentication.

The Cloud Base Email Collaboration (CBEC) Steering Committee meeting series will be canceled.
