49.1. Contractor, at its expense, shall defend, indemnify, and save DIS and Purchaser harmless from and against any claims against DIS or Purchaser that any Product supplied hereunder, or Purchaser’s use of the Product within the terms of this Contract, infringes any patent, copyright, trade secret, trademark, or other similar proprietary right of a third party worldwide. Contractor shall pay all costs of such defense and settlement and any penalties, costs, damages and attorneys’ fees awarded by a court or incurred by DIS or Purchaser provided that DIS or Purchaser:

Promptly notifies Contractor in writing of the claim, but DIS’ or Purchaser’s failure to provide timely notice shall only relieve Contractor from its indemnification obligations if and to the extent such late notice prejudiced the defense or resulted in increased expense or loss to Contractor; and

Cooperates with and agrees to use its best efforts to encourage the Office of the Attorney General of Washington to grant Contractor sole control of the defense and all related settlement negotiations.

49.2. If such claim has occurred, or in Contractor’s opinion is likely to occur, DIS and Purchaser agree to permit Contractor, at its option and expense, either to procure the right to continue using the Product or to replace or modify the same so that they become noninfringing and functionally equivalent. If use of the Product is enjoined by a court and Contractor determines that none of these alternatives is reasonably available, Contractor, at its risk and expense, will take back the Product and provide Purchaser a refund. In the case of Product, Contractor shall refund to Purchaser its depreciated value. No termination charges will be payable on such returned Product, and the Purchaser will pay only those charges that were payable prior to the date of such return. Depreciated value shall be calculated on the basis of a useful life of seven (7) years commencing on the date of purchase and shall be an equal amount per year over said useful life. The depreciation for fractional parts of a year shall be prorated on the basis of three hundred sixty-five (365) days per year. In the event the Product has been installed less than one (1) year, all costs associated with the initial installation paid by Purchaser shall be refunded by Contractor.
50. **Save Harmless**

Contractor shall defend, indemnify, and save DIS and Purchaser harmless from and against any claims, including reasonable attorneys' fees resulting from such claims, by third parties for any or all injuries to persons or damage to property of such third parties arising from intentional, willful or negligent acts or omissions of Contractor, its officers, employees, or agents, or Subcontractors, their officers, employees, or agents, excluding any claims arising from an Out of Service Condition. Contractor's obligation to defend, indemnify, and save DIS and Purchaser harmless shall not be eliminated (but may be reduced) by any alleged concurrent DIS or Purchaser negligence.

51.1. Contractor shall, during the term of this Contract, maintain in full force and effect, the insurance described in this section. Contractor shall acquire such insurance from an insurance carrier or carriers licensed to conduct business in the state of Washington and having a rating of A-, Class VII or better, in the most recently published edition of Best's Reports. In the event of cancellation, non-renewal, revocation or other termination of any insurance coverage required by this Contract, Contractor shall provide written notice of such to DIS within one (1) Business Day of Contractor's receipt of such notice. Failure to buy and maintain the required insurance may, at DIS' sole option, result in this Contract's termination.

51.2. The minimum acceptable limits shall be as indicated below, with no deductibles, unless otherwise indicated, for each of the following categories:

- Commercial General Liability covering the risks of bodily injury (including death), property damage and personal injury, including coverage for contractual liability, with a limit of not less than $1 million per occurrence/$2 million general aggregate;

51.6. Contractor shall furnish to DIS copies of certificates and endorsements of all required insurance within thirty (30) calendar days of this Contract’s Effective Date and copies of renewal certificates and endorsements of all required insurance within thirty (30) days after the renewal date. These certificates of insurance must expressly indicate compliance with each and every insurance requirement specified in this section. Failure to provide evidence of coverage may, at DIS sole option, result in this Contract’s termination.

Prior to performing work under this Contract, Contractor shall provide or purchase industrial insurance coverage for its employees, as may be required of an “employer” as defined in Title 51 RCW, and shall maintain full compliance with Title 51 RCW during the course of this Contract. 56. Severability

Each party shall bear the cost for its panel member and its attorneys’ fees and share equally the cost of the third panel member.

60.3. Both parties agree to exercise good faith in dispute resolution and to settle disputes prior to using a Dispute Resolution Panel whenever possible. Unless irreparable harm will result, neither party shall commence litigation against the other before the Dispute Resolution Panel has issued its decision on the matter in dispute.

60.4. Purchaser and Contractor agree that, the existence of a dispute notwithstanding, they will continue without delay to carry out all their respective responsibilities under this Contract that are not affected by the dispute.

60.5. If the subject of the dispute is the amount due and payable by Purchaser for Services being provided by Contractor, Contractor shall continue providing Services pending resolution of the dispute provided Purchaser pays Contractor the amount Purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount Contractor, in good faith, believes is due and payable.

61. Non-Exclusive Remedies

The remedies provided for in this Contract shall not be exclusive but are in addition to all other remedies available under law, except that DIS’s and Purchaser’s sole and exclusive remedies for Out of Service occurrence(s) are service credits and the remedies described in Section 65 (default).

If Contractor fails to perform any substantial obligation under this Contract, DIS or Purchaser shall give Contractor written notice of such Failure to Perform. If after thirty (30) calendar days from the date of the written notice Contractor still has not performed, then DIS or Purchaser may withhold
all monies due and payable to Contractor, without penalty to DIS or Purchaser, until such Failure to Perform is cured or otherwise resolved.

63. Limitation of Liability

63.1. The parties agree that Contractor, DIS and Purchaser shall not be liable to each other, regardless of the form of action, for consequential, incidental, indirect, or special damages except a claim related to bodily injury or death, or a claim or demand based on a patent, copyright, or other intellectual property right infringement, in which case liability shall be as set forth elsewhere in this Contract. This section does not modify any sections or any other conditions as are elsewhere agreed to herein between the parties which expressly provide for the types of damages described above. The damages specified in the sections titled OSHA/WISHA, Termination for Default, and Review of Contractor's Records are not consequential, incidental, indirect, or special damages as that term is used in this section.

63.2. Contractor, DIS and Purchaser shall not be liable for damages arising from causes beyond the reasonable control and without the fault or negligence of either Contractor, DIS or Purchaser. Such causes may include, but are not restricted to, acts of God or of the public enemy, acts of a governmental body other than DIS or Purchaser acting in either its sovereign or contractual capacity, war, explosions, fires, floods, earthquakes, epidemics, quarantine restrictions, strikes, freight embargoes, and unusually severe weather; but in every case the delays must be beyond the reasonable control and without fault or negligence of Contractor, DIS, Purchaser, or their respective Subcontractors.

Contract Termination

64. Termination for Default

64.1. If Contractor violates any material term or condition of this Contract or fails to fulfill in a timely and proper manner its material obligations under this Contract, then the DIS Contract Administrator or Purchaser shall give Contractor written notice of such failure or violation, and the failure or violation shall be corrected by Contractor within thirty (30) calendar days or as otherwise agreed. If such breach is not capable of cure within thirty (30) days, Contractor must commence cure within such thirty (30) day period and diligently pursue completion of such cure. If Contractor's failure or violation is not so corrected, this Contract may be terminated immediately by written notice from DIS to Contractor, or an Order may be terminated by written notice to Contractor from Purchaser.

64.2. In the event of termination of an Order or this Contract by DIS for default, Purchaser or DIS shall have the right to procure the Services that are the subject of this Contract on the open
market and Contractor shall, subject to Section 64 (Limitation of Liability) be liable for all damages, including, but not limited to: (i) the cost difference between the original Contract/Order price for the Services and the replacement costs of such Services acquired from another vendor; (ii) if applicable, all administrative costs directly related to the replacement of the Order or Contract, such as costs of competitive bidding, mailing, advertising, applicable fees, charges or penalties, staff time costs; and, (iii) any other direct costs to Purchaser or DIS resulting from Contractor’s breach. DIS and Purchasers shall have the right to deduct from any monies due to Contractor, or that thereafter become due, an amount for damages that Contractor will owe DIS or Purchasers for Contractor’s default.

64.3. If either DIS or Purchaser violates any material term or condition of this Contract or fails to fulfill in a timely and proper manner its obligations under this Contract, then Contractor shall give DIS or Purchaser, as appropriate, written notice of such failure, which shall be corrected by DIS or Purchaser within thirty (30) calendar days, or as otherwise agreed. If such failure to perform is not so corrected, Purchaser’s Order may be terminated by written notice from Contractor to Purchaser or, if appropriate, this Contract may be terminated by written notice from Contractor to DIS.

64.4. If the Failure to Perform is without the defaulting party’s control, fault, or negligence, the termination shall be deemed to be a Termination for Convenience.

64.5. This section shall not apply to any failure(s) to perform that results from the willful or negligent acts or omissions of the aggrieved party.

65. Termination for Convenience

65.1. When, at the sole discretion of DIS, it is in the best interest of the State, DIS may terminate this Contract, in whole or in part, by fourteen (14) calendar days written notice to Contractor.

65.2. Purchaser may terminate its Order upon sixty (60) days notice to Contractor. If an Order is so terminated, Purchasers are liable only for payments for Products and Services received and accepted by Purchaser prior to the effective date of termination and, subject to Sections 65, 67, 68 and 69, if the Order is for a term of one year or more, Purchaser will also be responsible to pay the unpaid fees, if any, that would have been payable for the first year of the Order. If the Order is terminated after the first year, no early termination fees will apply.

65.3. This Article 65 shall not be construed to permit DIS to terminate this Contract, or a Purchaser to terminate its Order(s) in order to acquire similar Products or Services from a third party.

66. Termination for Withdrawal of Authority

67.1. In the event that DIS or Purchaser’s authority to perform any of its duties within the scope of this Contract is withdrawn, reduced, or limited in any way after the commencement of this Contract or any Order and prior to normal completion, DIS may terminate this Contract, or a Purchaser may terminate its Order(s), by thirty (30) Business Days written notice to Contractor. No penalty shall accrue to DIS and Purchasers in the event this section shall be exercised. This section shall not be construed to permit DIS to terminate this Contract, or a Purchaser to terminate its Order(s) in order to acquire similar Products or Services from a third party. If this Contract is terminated pursuant to this Section,
Purchaser is liable only for payments required by the terms of this Contract for Services received and accepted by Purchaser prior to the effective date of termination.

67.2.
