50.1. Contractor, at its expense, shall defend, indemnify, and save CTS and Purchaser harmless from and against any claims against CTS or Purchaser that any Product supplied hereunder, or Purchaser's use of the Product within the terms of this Contract, infringes any patent, copyright, trade secret, trademark, or other similar proprietary right of a third party worldwide. Contractor shall pay all costs of such defense and settlement and any penalties, costs, damages and attorneys’ fees awarded by a court or incurred by CTS or Purchaser provided that CTS or Purchaser:

- Promptly notifies Contractor in writing of the claim, but CTS' or Purchaser's failure to provide timely notice shall only relieve Contractor from its indemnification obligations if and to the extent such late notice prejudiced the defense or resulted in increased expense or loss to Contractor; and
- Cooperates with and agrees to use its best efforts to encourage the Office of the Attorney General of Washington to grant Contractor sole control of the defense and all related settlement negotiations.

50.2. If such claim has occurred, or in Contractor's opinion is likely to occur, CTS and Purchaser agree to permit Contractor, at its option and expense, either to procure the right to continue using the Product or to replace or modify the same so that they become noninfringing and functionally equivalent. If use of the Product is enjoined by a court and Contractor determines that none of these alternatives is reasonably available, Contractor, at its risk and expense, will take back the Product and provide Purchaser a refund. In the case of Product, Contractor shall refund to Purchaser its depreciated value. No termination charges will be payable on such returned Product, and the Purchaser will pay only those charges that were payable prior to the date of such return. Depreciated value shall be calculated on the basis of a useful life of seven (7) years commencing on the date of purchase and shall be an equal amount per year over said useful life. The depreciation for fractional parts of a year shall be prorated on the basis of three hundred sixty-five (365) days per year. In the event the Product has been installed less than one (1) year, all costs associated with the initial installation paid by Purchaser shall be refunded by Contractor.

Contractor shall defend, indemnify, and save CTS and Purchaser harmless from and against any claims, including reasonable attorneys’ fees resulting from such claims, by third parties for any or all injuries to persons or damage to property of such third parties arising from intentional, willful or negligent acts or omissions of Contractor, its officers, employees, or agents, or Subcontractors, their officers, employees, or agents. Contractor’s obligations to defend, indemnify, and save CTS and Purchaser harmless shall not be eliminated or reduced by any alleged concurrent CTS or Purchaser negligence.

Failure to provide evidence of coverage may, at CTS sole option, result in this Contract’s termination.

61.5. If the subject of the dispute is the amount due and payable by Purchaser for Services being provided by Contractor, Contractor shall continue providing Services pending resolution of the dispute provided Purchaser pays Contractor the amount Purchaser, in good faith, believes is due and payable, and places in escrow the difference between such amount and the amount Contractor, in good faith, believes is due and payable.

"Minimum Service Commitment" shall mean the minimum period in which Purchasers agree to keep circuits in service.

"Node Router" shall mean Customer Router to which vendor delivers an aggregated bundle of VLANs.

"Service Installation Date" shall mean the date on which Services are actually installed, tested, and ready for Purchaser acceptance as defined in Section 6.

2. Term:

This SWO shall be effective as of the date executed by CTS (the "Effective Date") and continue in full force and effect for a four (4) year term, measured from the latest Service Installation Date for the end sites covered under this SWO.

3. Incorporation of the Contract:

The terms and conditions of the Ethernet Contract are hereby restated and incorporated by reference in their entirety.

4. Service Delivery Locations.

Vendor agrees to provide during the Term of this SWO, Ethernet Services at the throughput, price, and between the endpoints specified in Attachment 1.
