7. TERM, TERMINATION AND SUSPENSION

a. This Agreement commences on the effective date of the applicable MCA and terminates on the date the last Order then in effect expires or is terminated. A termination of this Agreement shall terminate all Order(s).

b. Either Party may terminate this Agreement by giving written notice to the other Party if the other Party breaches any material term or condition of this Agreement and fails to cure such breach within thirty (30) days (ten (10) days in the case of a failure to pay Fees) after receipt of such notice. If Customer fails to cure a monetary breach, Customer will be responsible for all collections costs. If the breach (other than where Customer has failed to pay Fees) cannot be cured within thirty (30) days, the breaching Party shall be given a reasonable period of time, but not to exceed sixty (60) days after receipt of the notice, to cure the breach, provided that the breaching Party acts promptly and diligently to cure such breach.

e. If Customer or Customer's Equipment mechanically or electrically interferes with Equinix's operation or maintenance of the IBX Center or with one or more of Equinix's other customers' use thereof and Equinix notifies Customer of this by email or phone, then Customer must promptly: (a) cease such interference, (b) provide a plan to cease such interference that is acceptable to Equinix, or (c) authorize Equinix to take action to cease such interference (billed at Smart Hands rates). If Equinix suspends the provision of Licensed Space and/or Services pursuant to this Section 7(e), unless Equinix has subsequently terminated this Agreement as permitted under this Agreement, Equinix will reverse the suspension of the provision of the Licensed Space and/or Services as soon as reasonably practical after it is reasonably satisfied that Customer has cured the breach(es) giving rise to the suspension; and Equinix may charge a reinstatement fee. NOTE REGARDING USE OF THIS DOCUMENT: These Global Terms and Conditions ("GTCs") are intended to be incorporated into country-specific master country agreements ("MCAs"), and neither Licensed Space nor Services may be ordered in a country until the GTCs and applicable MCAs are fully executed.

GLOBAL TERMS AND CONDITIONS

Customer may request Licensed Space and Services from Equinix by placing Order(s). Upon agreement of Order(s), Equinix shall provide Licensed Space and Services to Customer pursuant to this Agreement.

2. PAYMENT TERMS AND TAXES

a. Fees will accrue from the Billing Commencement Date and Customer will be liable for Fees for the full term specified in each Order. Customer will pay in full all invoices from Equinix in the currency stipulated in the Order within thirty (30) days of the date of invoice. Interest shall be charged on past due amounts at the rate of one percent (1.0%) per month. Unless otherwise mutually agreed, Equinix will invoice monthly in advance for all recurring Fees and in arrears for usage-based or non-recurring Fees. Customer shall be responsible for (i) Taxes related to its activities and the ownership and operation of Customer's Equipment and (ii) Taxes imposed, levied or assessed thereon by any governmental or other authorities. a. Subject to the terms and conditions of this Agreement, Customer will have access to the Licensed Space twenty-four (24) hours per day, every day of the year.

b. Customer will comply with the Policies, which have been furnished to Customer and are incorporated herein by reference. Equinix may modify the Policies from time to time effective upon notice. No Sublicensee shall further sublicense any Licensed Space. Notwithstanding any sublicensing, Customer remains responsible to Equinix for the performance of all obligations under this Agreement including the payment of all amounts owed under this Agreement.

d. Customer will be responsible and liable for all acts or omissions of Customer's Authorized Persons, Accompanying Persons, Associated Entities and for any equipment or services not provided by Equinix. To the extent allowed by law, Customer will indemnify, defend and hold harmless the Equinix Parties from any and all liability, loss, damages, costs and expenses (including reasonable attorneys' fees and expenses) for third-party claims brought by, arising from or related to Customer's Authorized Persons, Accompanying Persons or Associated Entities

a. Each Party represents, warrants and covenants that it will comply with all applicable laws and regulations in connection with this Agreement. Equinix represents warrants and covenants that it shall provide the Licensed Space and perform the Services in a professional and workmanlike manner. Subject to legislative action that may alter the current statutory authority of the Customer, Customer represents warrants and covenants that it will maintain throughout the Term the legal right and authority (including regulatory consents) to operate, configure, install, maintain and repair Customer's Equipment as contemplated by this Agreement.

b. EXCEPT AS OTHERWISE SET FORTH IN THIS AGREEMENT, EQUINIX DOES NOT MAKE AND HEREBY DISCLAIMS ALL WARRANTIES, INCLUDING BUT NOT LIMITED TO, EXPRESS, IMPLIED AND STATUTORY WARRANTIES THAT THE LICENSED SPACE AND SERVICES WILL BE

8. REMOVAL OF CUSTOMER'S PROPERTY

a. Customer will remove all of Customer's Equipment on or before the expiry or termination of the applicable Order. Unless Equinix otherwise agrees in writing, failure to remove Customer's Equipment within twenty (20) days from the termination of the applicable Order, or within thirty (30) days if the Order is terminated due to Equinix's material breach, will constitute abandonment of Customer's Equipment under the laws of the jurisdiction where the abandoned property is located, and Equinix will be entitled to pursue all available legal remedies, including, without limitation, and at Customer's risk and expense: (i) immediately removing Customer's Equipment and storing it at an on-site or off-site location; (ii) shipping it to Customer; or (iii) upon sixty (60) days' prior written notice to Customer, liquidating it and retaining the proceeds.

b. 9. CONFIDENTIAL INFORMATION

a. "Confidential Information" means non-public information disclosed between the Parties, including (a) information identified by the disclosing Party, in writing or orally, as confidential at the time of disclosure; (b) information containing the disclosing Party's customer lists, customer information, technical information, pricing information, financial position, trade secrets, customer communications or proposals, benchmarking information, satisfaction surveys, or information relating to its business planning or business operations. The design of the IBX Centers, the Licensed Space, the Services provided, equipment used at the IBX Centers, the configuration of cables, networks and services at the IBX Centers are the Confidential Information of Equinix. Information is not deemed Confidential Information if it (i) is known to the receiving Party prior to receipt from the disclosing Party directly or indirectly from a source other than one having an obligation of confidentiality to the disclosing Party; (ii) becomes known (independently of disclosure by the disclosing Party) to the receiving Party directly or indirectly from a source other than one having an obligation of confidentiality to the disclosing Party; (iii) becomes publicly known or otherwise ceases to be confidential, except through a breach of this Agreement by the receiving Party; (iv) is independently developed by the receiving Party or (v) is a public record within scope of RCW 42.56. For the avoidance of doubt, the mere placement of materials or equipment containing information at an Equinix location does not constitute disclosure of such information to Equinix.

b. Unless otherwise required by law, Neither Party will use or disclose Confidential Information from the disclosing Party without its prior written consent, except where (i) if in the opinion of counsel, the disclosure is required by applicable law or regulation (including securities laws regarding public disclosure of business information) or by an order of a court or other governmental body having jurisdiction after taking steps to maintain its confidentiality where practicable; (ii) it is reasonably necessary to be disclosed to that Party's, or its Affiliates', employees, officers, directors, attorneys, accountants and other advisors; or (iii) it is necessary for a Party to exercise its rights and perform its obligations under this Agreement. In any case, the disclosing Party shall ensure that disclosure shall not be broader than necessary, and that the recipient agrees prior to receipt to keep the information confidential

to the same extent as under this Agreement (except that such agreement need not be obtained for disclosures to a court, regulator or arbitrator).

c. Neither Party grants the other Party the right to use its trademarks, service marks, trade names, copyrights, other intellectual property rights or other designations in any promotion, publication or press release without the prior written consent of the other Party in each case.

d. Equinix acknowledges that Customer is subject to chapter 42.56 RCW and that this Contract shall be a public record as defined in chapter 42.56RCW. Any specific information that is claimed by Equinix to be confidential information must be clearly identified as such by Vendor. To the extent consistent with chapter 42.56 RCW, Customer shall maintain the confidentiality of all such information marked Confidential Information. If a public disclosure request is made to view Equinix Confidential Information, Customer will notify Equinix of the request and of the date that such records will be released to the requester unless Equinix obtains a court order from a court of competent jurisdiction enjoining that disclosure. If Equinix fails to obtain the court order enjoining disclosure, Customer will release the requested information on the date specified.

10. MISCELLANEOUS

a. Notice. Unless expressly stated in the Agreement, all notices, consents, or approvals required by this Agreement will only be effective if in writing and sent by (i) certified or registered mail, postage prepaid; (ii) overnight delivery requiring a signature upon receipt; (iii) delivery by hand; or (iv) facsimile or e-mail (promptly confirmed by mail), to the Parties at the respective addresses or numbers in this Agreement or as otherwise designated in writing by the Parties. Notices, consents and approvals under this Agreement will be in writing, with either ink or electronic signature, and be deemed effective on the date of receipt. Notwithstanding anything to the contrary in this Agreement, notices relating to Policies sent by Equinix shall be presumed to be received five (5) days after mailing if sent by mail, two (2) days later if sent by overnight courier or on the date of dispatch if sent by e-mail.

b. Entire Agreement. This Agreement, including these GTCs and the Equinix Service Level Agreement set out in Exhibit A to these GTCs constitutes the entire agreement between the Parties with respect to the subject matter of this Agreement, and supersedes and replaces all prior or contemporaneous discussions, negotiations, proposals, understandings and agreements, written or oral, as well as any industry custom. Each Party acknowledges that, in entering into this Agreement, it has not relied on, and shall have no right or remedy in respect of, any statement, representation, assurance or warranty other than as expressly set out in this Agreement, but nothing in this Section 10(b) shall limit or exclude a Party's liability for fraud. This Agreement may be executed in two or more counterparts (and the signature pages may be delivered with ink or electronic signature or by facsimile or e-mail), each will be deemed an original, but all together will constitute one and the same instrument. Except where otherwise expressly stated herein, this Agreement may be amended only by the written agreement of both Parties.

c. Construction. Each Party agrees that it has reviewed this Agreement, and this Agreement shall not be interpreted more strictly against the drafting Party. The section headings and captions are for convenience only and will not be used to construe this Agreement. If any provision of this Agreement is adjudged by a court to be invalid, illegal or unenforceable, it will not affect the

validity, legality, or enforceability of the other part(s) of the same provision or of the other provisions in this Agreement.

d. Survival. Sections 3(d), 4(c) – (f), 8 and 10(d) will survive the termination of this Agreement. Section 8 will survive for three (3) years after termination of this Agreement.

e. Subcontracting and Transfer. Equinix may permit any other Equinix Company, independent contractor or other third party, to perform any of Equinix's obligations hereunder, provided that Equinix remains primarily liable for the performance of its obligations. Equinix may transfer this Agreement or any of its rights and obligations hereunder with notice to Customer. Customer may transfer this Agreement or any of its rights and obligations hereunder to an Affiliate or to an entity which is acquiring all or substantially all of Customer's business or assets with prior notice to Equinix, and in all such events the person or entity to whom this Agreement is assigned by Customer must agree in writing to be bound by all of the terms of this Agreement. This Agreement will be binding upon and inure to the benefit of all successors and permitted transferees of the Parties, who will be bound by all of the obligations of their predecessors or transferors.

f. Force Majeure. Except for Customer's obligation to pay amounts owed under this Agreement, including Fees, neither Party will be responsible or in any way liable to the other Party, and neither Party will have any termination or other rights, arising out of or relating to a Force Majeure Event. A "Force Majeure Event" is a failure by the other Party to perform any of its obligations under this Agreement if such failure is caused by events or circumstances beyond its reasonable control, including, but not limited to, acts of God, war, labor strike, terrorist act, fire, flood, earthquake, health epidemic or any law, order, regulation or other action of any governing authority or agency.

g. Conflicts. All Orders are subject to the terms and conditions of this Agreement. In the event of ambiguity, conflict or inconsistency among the documents comprising this Agreement, the documents shall be given a descending order of precedence as follows (i) the Order; (ii) the MCA, including any attachments and exhibits thereto, other than these GTCs; (iii) the GTCs; and (iv) the Policies.

h. Business Contact Information. "Business Contact Information" or "BCI" means business contact data (including, but not limited to, data processed in CRM databases and data that is set out on access lists at any IBX Center from time to time) containing personal and/or private information relating to business contact information (mainly first name, last name, business phone numbers, business email and business address) of Customer, its agents, employees or any Authorized Person of the Licensed Space and Services (including third-party consultants, contractors or partners, and Sublicensees with whom Customer has a contractual relationship) and whose use, processing or transfer is regulated by law or regulation as "personal data".

Customer acknowledges that Equinix and Equinix Parties will, by virtue of the performance of the Agreement, come into possession of BCI as a Data Controller (as defined under European laws and regulations or its equivalent under any local data protection and privacy laws). Customer acknowledges and agrees that Equinix and Equinix Parties may use, process and/or transfer BCI (i) in connection with the provision of Licensed Space and Services; (ii) to incorporate BCI into databases controlled by Equinix and Equinix Parties for the purpose of account administration, billing and reconciliation; operational maintenance and support activities; security, fraud detection and prevention; and, subject to BCI being previously anonymized, customer and market analysis and reporting; and (iii) to communicate to

Customer by voice, letter, fax or email regarding products and services of Equinix or Equinix Parties or third parties through the Equinix Marketplace. Customer may withdraw consent for the use, processing or transfer of BCI as set out in (iii) above upon written notice to Equinix. Customer acknowledges that it has the right to access BCI upon written notice and have any agreed errors in such BCI rectified or deleted, or to request additional information on the use, processing and/or transfer of its BCI.

Where BCI is to be transferred by Equinix and Equinix Parties from one country to another (including intra-group transfers to the United States or to any countries located within or outside the European Economic Area (EEA)) for the purposes set out above under this clause, Equinix shall ensure that all appropriate legitimization measures as required under applicable data protection and privacy laws such as (i) the entry into appropriate inter-company data transfer agreements based on the European Standard Contractual Clauses; (ii) the implementation of Binding Corporate Rules as defined under European regulations; and/or (iii) equivalent means of compliance, are in place to afford such transfer of BCI an adequate level of protection.

For the avoidance of doubt, Customer acknowledges that (i) the provision by Equinix of Licensed Space and Services in accordance with the Agreement does not involve any access by Equinix, or use, processing, monitoring, or performance of any operation of, or on, any data loaded, stored, received, retrieved, transmitted through or otherwise processed by the Customer as part of its use of the Licensed Space and Services ("Customer Data"); and that (ii) as a result, Equinix does not act as Data Processor or Data Controller (as defined under European laws and regulations or its equivalent under any local data protection and privacy laws), with respect to such Customer Data.

Customer undertakes to inform its agents, employees or any Authorized Person of the Licensed Space and Services such as its consultants, contractors or partners (i) that their BCI may be collected, used, processed and transferred by virtue of the performance of, and in accordance with, the Agreement; and (ii) of their rights regarding the processing of their BCI in accordance with this clause, and where applicable.

i. Security Controls. Equinix will employ appropriate technical and organizational measures which, in Equinix's sole discretion, are designed to protect the security of the (a) IBX Center, (b) the Licensed Space which contains the Customer Equipment, and (c) the Services, including, without limitation: (i) physical security of the IBX Center(s) to permit access only to authorized personnel, (ii) the use of business systems designed to optimize security, and (iii) such other security measures consistent with then-current industry standards. Equinix will participate if necessary in a security design review process under the Office of the Chief Information Officer's Security Standard 141.10, provided that Equinix agrees to the scope of the design review and any time required to support the design review will be requested by Customer through a Smart Hands Order.

j. Privacy. Equinix agrees that it will have no right to access Customer's data or Customer's end users' data, and any proprietary product data that is processed by or stored on the Customer's equipment, pursuant to the rights afforded to or reserved by Equinix under this Agreement.

k. **Breach Notification.** Equinix will notify Customer of any actual or attempted unauthorized access involving Customer's cabinet (which compromises the security or privacy of customer data) within twenty-four (24) hours of discovery, or as soon as is practical given the circumstances.

l. **Operational Audit.** During regular business hours and no more frequently than once in any consecutive twelve-month period, at Customer's sole expense (including Smart Hands charges for Equinix's time) and on a mutually agreed upon date (which shall be no less than ten (10) business days after written notice from Customer), time, location and duration, IBX Auditors may perform a confidential audit to verify that the IBX Centers comply with the standards set forth in this Agreement, subject to reasonable postponement by Equinix upon Equinix's request, which postponement shall not exceed twenty (20) business days. Customer agrees that (i) such audits shall not adversely affect other customers of Equinix or Equinix's operation of the IBX Center; (ii) all IBX Auditors (defined below) shall comply with Equinix's Policies during such audit; and (iii) Customer shall ensure that any third party IBX Auditors treat all of Equinix's Confidential Information disclosed to such third party IBX Auditor as a result of such audit in the same manner Customer is required to treat such Confidential Information. Any audit provided for in this section shall only consist of a visit to the IBX Center and/or the IBX Auditors' review of Equinix's regularly-prepared records regarding the operation of the IBX Centers. For purposes of this section, "IBX Auditor" shall mean any of Customer, Customer's third-party auditors or any regulatory examining authority having jurisdiction over Customer that participates in an audit described in this section.

m. Vendor represents that the Facility has successfully completed a SOC II Type II audit, or the then equivalent industry standard set of controls. Vendor shall deliver a copy of the audit reports when CTS provides Vendor a written request for such. CTS agrees that to the extent allowed by law, CTS shall keep the audit reports confidential.

n. **International Security Concerns.** Customer represents, warrants and covenants that Customer: (i) is compliant with applicable Sanction Laws; (ii) is not listed, or owned or controlled by an entity or person, on the U.S. Department of Treasury list of Specially Designated Nationals, or located in or organized under the laws of a country subject to U.S. or E.U. embargo (collectively, "Restricted Persons"); (iii) is not providing services in connection with this Agreement to Restricted Persons, including any Sublicensees; and (iv) will not use the Licensed Space and Services, or allow them to be used, for any purposes prohibited by applicable Sanction Laws, including nuclear, chemical, or biological weapons proliferation or development of missile technology. Notwithstanding any other provision in this Agreement, Equinix reserves the right to terminate this Agreement immediately upon written notice to the Customer if Equinix reasonably determines that Customer is not in compliance with this Section 9(i) or is causing Equinix to be exposed to violations under Sanction Laws.

o. **General.** Except where otherwise expressly stated herein, and subject to the limitations set forth in Section 4, the rights and remedies provided for herein are cumulative and not exclusive of any rights or remedies that a Party would otherwise have.

The Parties are independent contractors, and this Agreement does not establish any relationship of partnership, joint venture, employment, franchise or agency between them. Neither Party may bind the other or incur obligations on the other's behalf without the other's prior written consent.

There are no third-party beneficiaries to this Agreement.

No waiver of any breach of any provision of this Agreement will constitute a waiver of any prior, concurrent or subsequent breach of the same or any other provisions hereof, and no waiver will be effective unless made in writing and signed by an authorized representative of the waiving Party. If any term or condition of this MCA is held invalid, such invalidity shall not affect other terms, conditions, or applications which can be given effect without the invalid term, condition, or application; to this end the terms and conditions of this Contract are declared severable.

Each MCA (i) is only binding upon the MCA Signatories and not upon any other Equinix Company or Customer Affiliate and (ii) only affects Orders placed under that MCA. For avoidance of doubt, no other Equinix Company or Customer Affiliate except the MCA Signatories are required to agree to any of the terms and conditions set forth in that MCA. The Equinix Company that enters into an Order with Customer for Licensed Space and Services shall provide the Licensed Space and Services in accordance with this Agreement, and no other Equinix Affiliate shall be jointly or severally liable with such Equinix Company for the provision of Licensed Space and performance of the Services.

If Customer terminates the agreement for convenience, Customer shall provide ninety (90) days' written notice of termination and pay early termination liability of seventy-five percent (75%) of the charges for the remaining months in the applicable Service term.

If funds are not allocated to Purchaser to continue this Contract in any future period, Purchaser may terminate this Contract by ninety (90) calendar days written notice to Vendor or work with Vendor to arrive at a mutually acceptable resolution of the situation. Purchaser will not be obligated to pay any further charges for Services including the net remainder of agreed to consecutive periodic payments remaining unpaid beyond the end of the then-current period. Purchaser agrees to notify Vendor in writing of such non-allocation at the earliest possible time. No penalty shall accrue to Purchaser in the event this section shall be exercised. This section shall not be construed to permit Purchaser to terminate this Contract in order to acquire similar Services from a third party.

**EXHIBIT A TO GLOBAL TERMS AND CONDITIONS
EQUINIX LICENSED SPACE AND COLOCATION
SERVICE DESCRIPTION AND SERVICE LEVEL AGREEMENT**

The purpose of this Licensed Space and Colocation Service Description and Service Level Agreement ("SLA") is to describe the Licensed Space and Colocation services Equinix will deliver to Customer, define measurable performance levels, and specify remedies available to Customer if these levels are not achieved. Words capitalized but not defined in this SLA will have the meaning defined in the Agreement.

1. **Licensed Space and Interconnection** – Licensed Space is situated within the Equinix IBX listed on the Order and includes the following features:

- a. **Security/Access Controls**. Equinix provides a secure colocation environment with the following:
 - i. Building Perimeter Security – Equinix continually monitors all entrances and exits to each IBX. Specific architectural features and physical construction of individual IBXs provide additional security and differ by location.
 - ii. Colocation Area Security – Within each IBX, the colocation area is protected by additional security measures to form multiple layers of security. Examples of such security measures include: visitor access authorization and validation via customer administrators and security officers, security mantraps, biometric readers and access card readers, locking cabinets, and extensive monitoring by video and/or IBX site staff.
 - iii. Private Cage – Customer may select a Private Cage with access to the Private Cage restricted only to authorized personnel by means of an additional card reader or biometric scanner on the cage door.
 - iv. Secure Cabinet – Customer may select a Secure Cabinet with access to the Secure Cabinet restricted only to authorized personnel by means of an additional locking mechanism on the cabinet door.
- b. **Climate Control**. Equinix controls the climate in the colocation area to ensure a predictable and consistent environment as follows:
 - i. Temperature – Temperature is controlled to be between 18 C (64.4 F) and 27 C (80.6 F).
 - ii. Relative Humidity – Relative Humidity is controlled to be between 25% and 65%.
- c. **Electrical Power**. Equinix has designed electrical power delivery systems to provide an uninterrupted supply of electrical power through various primary and secondary supply mechanisms. For electrical power delivery to the Licensed Space, Customer may choose between the following configurations:
 - i. Non-Redundant Power – Electricity delivered via one (1) power circuit.
 - ii. Redundant Power – Electricity delivered via two (2) power circuits from two different power busses.
- d. **Cross Connects**. Cross Connects permit Customers to connect their equipment to other Equinix customer equipment or Equinix interconnection exchanges located within an IBX or between IBXs on a single Equinix campus. Cross Connects are available in multiple media types.

2. **Availability and Credit Remedies**

- a. **Electrical Power**
 - i. **Redundant Power at 99.999+% availability**. This is met by achieving less than twenty six (26) seconds of Unavailability over a calendar month period ("Redundant Power SLA Threshold") per cabinet. For the purposes of this paragraph, a Redundant Power circuit pair is considered Unavailable when a functioning cabinet that includes Customer provided automatic failover capability is powered by two (2) power circuits from different power busses, and both power circuits experience a simultaneous interruption in electrical power such that the cabinet experiences an interruption in electrical power. Subject to Section 3, if Unavailability exceeds the Redundant Power SLA Threshold, Customer will be entitled to a credit equal to 1/30th of the number of affected Cabinets multiplied by the average power MRC per Cabinet (i.e. total power MRC divided by the total number of Cabinets) ("Loaded Cabinet MRC"). Further, Customer will be entitled to an additional credit equal to 1/30th of Loaded Cabinet MRC for the affected Loaded Cabinet for every full hour of Unavailability beyond the Redundant Power SLA Threshold.
 - ii. **Non-Redundant Power at 99.99+% availability**. This is met by achieving less than four (4) minutes of Unavailability over a calendar month ("Non-Redundant Power SLA Threshold") per cabinet. For the purposes of this paragraph, a Non-Redundant Power circuit is considered Unavailable when a functioning cabinet is powered by one (1) power circuit, and the power circuit experiences an interruption in electrical power such that the cabinet experiences an interruption in electrical power. Subject to Section 3, if Unavailability exceeds the Non-Redundant Power SLA Threshold, Customer will be entitled to a credit equal to 1/30th of the Loaded Cabinet MRC for the affected Loaded Cabinet. Further, Customer will be entitled to an additional credit equal to 1/30th of Loaded Cabinet MRC for the affected Loaded Cabinet for every full hour of Unavailability beyond the Non-Redundant Power SLA Threshold.
- b. **Climate Control**

For the purposes of this paragraph, Temperature is considered Unavailable when the temperature drops below 64.4 F (18 C) or exceeds 80.6 F (27 C). Subject to Section 3, if Unavailability exceeds the Temperature SLA Threshold, Customer will be entitled to a credit equal to 1/30th of the Loaded Cabinet MRC for the affected Loaded Cabinet. Further, Customer will be entitled to an additional credit equal to 1/30th of Loaded Cabinet MRC for the affected Loaded Cabinet for every full hour of Unavailability beyond the Temperature SLA Threshold.

Further, Customer will be entitled to an additional credit equal to 1/30th of Loaded Cabinet MRC for the affected Loaded Cabinet for every full hour of Unavailability beyond the Humidity SLA Threshold.

c. **Cross Connects**

- i. Cross Connect at 99.99+% availability. This is met by achieving less than four (4) minutes of Unavailability over a calendar month ("Cross Connect SLA Threshold") per Cross Connect. A Cross Connect is considered Unavailable when the passive physical media that Equinix uses for the Cross Connects fails and the endpoints of the Cross Connect are not able to maintain a communication connection due to such failure. Subject to Section 3, if Unavailability exceeds the Cross Connect SLA Threshold, Customer will be entitled to a credit equal to the MRC for the affected Cross Connect.
- ii. Cross Connect Provisioning Intervals. Upon Equinix acceptance of valid Customer request, Equinix will install additional Cross Connects into Customer's existing Licensed Space as follows:

3. **General**

Notwithstanding anything to the contrary in this SLA or the Agreement the following provisions apply to all Licensed Space and Services: The credits set forth in this attachment are Customer's sole and exclusive remedy if Equinix fails to meet the service level thresholds stated herein. In any calendar month the maximum credit to which Customer shall be entitled will not exceed the MRC for such Licensed Space or Service. All periods of Unavailability must be verified by Equinix, and approved credits will be applied by Equinix to the invoice for the month following the month in which the credit was approved. The period of Unavailability is measured from Customer's notification to Equinix of the incident to the time the Unavailability has been remedied as confirmed by Equinix. For avoidance of doubt, Equinix measures Temperature and Humidity Unavailability between three (3) and five (5) feet from the floor and no closer than twelve (12) inches from the cool air intake side of a cabinet. Customer shall not be entitled to a credit if the event or condition that would have otherwise given rise to the credit was caused by any of the following: acts of God, war or acts of terrorism, labor strikes or other labor action, fire, flood, earthquake, landslide, earth movement, hurricane, typhoon, tsunami, volcanic eruption or other natural disaster, riot or civil unrest, official orders from judicial, law or civil authorities, scheduled maintenance, Customer's equipment, actions or inactions of Customer or its representatives, actions or inactions outside of Equinix's reasonable control; or if Customer does not request a credit from Equinix in writing at the appropriate country contact within seven (7) days after the incident entitling Customer to a credit has been remedied. For questions or support please work with your authorized Equinix Sales Representative or the Equinix Service Desk in your region.
